2019-20 ORLANDO MAGIC MEDIA GUIDE

ABOUT THE ORLANDO MAGIC

Orlando's NBA franchise since 1989, the Magic's mission is to be world champions on and off the court, delivering legendary moments every step of the way. Under the DeVos family's ownership, the Magic have seen great success in a relatively short history, winning six division championships (1995, 1996, 2008, 2009, 2010, 2019) with seven 50-plus win seasons and capturing the Eastern Conference title in 1995 and 2009.

Off the court, on an annual basis, the Orlando Magic gives more than \$2 million to the local community by way of sponsorships of events, donated tickets, autographed merchandise and grants. Orlando Magic community relations programs impact an estimated 100,000 kids each year, while a Magic staff-wide initiative provides more than 7,000 volunteer hours annually. In addition, the Orlando Magic Youth Foundation (OMYF) which serves at-risk youth, has distributed more than \$24 million to local nonprofit community organizations over the last 29 years.

The Magic's other entities include the team's NBA G League affiliate, the Lakeland Magic, which began play in the 2017-18 season in nearby Lakeland, Fla.; the Orlando Solar Bears of the ECHL, which serves as the affiliate to the NHL's Tampa Bay Lightning; and Magic Gaming of the NBA 2K League, which began play in the spring of 2018.

The Magic play their home games at the award-winning Amway Center, honored with TheStadiumBusiness Awards' 2013 Customer Experience Award and named *SportsBusiness Journal*'s 2012 Sports Facility of the Year. Season ticket plans start as low as \$13 per game.

For ticket information log on to OrlandoMagic.com or call 407-89-MAGIC.

ABOUT AMWAY CENTER

The Orlando Magic served as the developer of the Amway Center, which hosts major national events, concerts and family shows. Opened in the fall of 2010, the facility is owned and operated by the City of Orlando on behalf of the Central Florida community.

The Amway Center was designed to reflect the character of the community, meet the goals of the users and build on the legacy of sports and entertainment in Orlando. The building's exterior features a modern blend of glass and metal materials, along with ever-changing graphics via a monumental wall along one facade. A 180-foot tall tower serves as a beacon amid the downtown skyline. The 875,000 square foot, Leadership in Energy and Environmental Design (LEED) Gold certified building features a sustainable, environmentally-friendly design and unmatched technology, including 1,100 digital monitors, the tallest high-definition video board in an NBA venue and multiple premium amenities available to all patrons in the building. Amway Center was recently honored with TheStadiumBusiness Awards' 2013 Customer Experience Award and named *SportsBusiness Journal*'s 2012 Sports Facility of the Year.

MEDIA INFORMATION AND GUIDELINES

TO THE MEDIA

Welcome to the 31st season of Orlando Magic basketball and tenth in the Amway Center. We are very pleased to supply this publication and hope it will answer many of your questions throughout the next several months. We sincerely appreciate your interest in the Magic and will do everything possible to meet your needs throughout the course of the season. This guide will be supplemented with materials on a regular basis during the year. Again, if we can ever be of any assistance, please do not hesitate to call on us. In an effort to continue to provide a professional working environment, we have established the following guidelines for the upcoming campaign.

CREDENTIALS

Single-game media credentials can be reserved by accredited media members by calling the Communications Department at least 24 hours before a game (no exceptions) at 407-916-2532 or emailing MagicCredentials@OrlandoMagic.com. Media members covering the Magic on a regular basis will be issued season passes, but are still required to reserve seating at all games by calling or emailing the Communications Department by the deadlines mentioned above. Credentials will allow working media members entry into the arena, while also providing reserved media seating and access to both team locker rooms and the media workroom. In all cases, credentials are non-transferable and any unauthorized use will subject the bearer to ejection from the arena and forfeiture of the credential. All singlegame credentials may be picked up on game days at the media entrance of the arena, located at the southwest corner of the building (South Street, event level).

MEDIA WORKROOM

The Magic media workroom is located in the southwest corner of the arena on the event level and will be opened two hours prior to game time. Admittance/space is limited to working media members with credentials only. The media workroom will remain open throughout the game and until the last working media members have finished their game-night duties. The professional intent of the media workroom is to provide a meeting and working place for writers, reporters, broadcasters and game personnel. Family members and guests of media members will not be accommodated in the media workroom. Any abuse of the media workroom and/or media privileges will result in a forfeiture of your media pass. Television monitors, telephones and work space will all be provided in the media workroom.

LOCKER ROOMS

ß

The Magic locker room is located on the northwest corner of the event level, while the visitors' locker room is located on the southwest corner. In accordance with NBA policy, both locker rooms will be open 75 minutes prior to tip-off until 45 minutes before game time and 15 minutes after the game. Only those individuals with prominently displayed credentials will gain admittance into the locker rooms. Your cooperation and courtesy are asked in maintaining proper working atmosphere for postgame interviews.

INTFRVIFWS

As stated above, pregame interviews are allowed 75 minutes prior to tip-off until 45 minutes prior to game time. Postgame interviews are conducted as follows: both the Magic head coach (in interview room) and the visiting team head coach (at opposing locker room entrance) will address media members approximately 10 minutes after the game. Your cooperation and professional courtesy are asked in maintaining a proper working atmosphere for postgame interviews.

PRACTICE/SHOOTAROUNDS

As a general rule, Orlando practices and game day shootarounds will be open to the media near the completion of each workout. In both cases, interviews with players and coaches will follow the workouts. Please go to the Magic's media website (OrlandoMagic.com/MagicPR), media-only Twitter feed (@Magic_MediaInfo) or call the Communications Department to confirm practice times and locations.

TELEVISION/RADIO

Television and radio broadcast positions are located along the scorer's table on the west sideline of the event level and on the radio deck, which is located on the west side of the club level. The Magic Communications Department will be happy to arrange statisticians for visiting radio and television broadcasters. If statisticians are needed, please contact the Magic Communications Department at least 24 hours prior to game time. Once arrangements are made for statisticians, the individual must be paid whether or not they are used. The Communications Department will be happy to arrange pregame, halftime, and postgame interviews according to NBA guidelines. Please make arrangements for those interviews as early as possible.

MEDIA SEATING

Reserved media seating has been designated in the media loge (northwest corner of arena on club level), as well as on the visitors' baseline and in the press box (west sideline on press level). All seats are reserved and marked with placecards for each individual media member. To avoid embarrassment, individuals are asked to sit in their pre-assigned seats. Seating charts are also posted in the media workroom and throughout the building. Electrical outlets and telephones are placed at press seats for your convenience. If a media member is in need of an individual phone, please contact the Communications Department for assistance. Statistics will be distributed to the press seating locations periodically.

MEDIA INFORMATION AND GUIDELINES

Limited space is available on each baseline for both still photographers and television cameramen. All are required to pick up photo passes upon entering the arena. Photographers without photo passes will not be allowed on the arena floor. Freelance photographers will not be credentialed without a certificate of assignment from an established publication. The Magic's Local Television Courtside Video Pool allows local outlets the ability to obtain access to comparable game highlight footage for news coverage purposes. For more information, contact Dave Sirak at 407-448-3473 or Dave.Sirak@WFTV.com.

PHOTOGRAPHERS/VIDEOGRAPHERS

MEDIA TICKETS

A limited number of game tickets are available for media purchase on a single-game basis from the Magic Communications Department. Unfortunately, due to the small number available, all requests cannot be honored. There are limitations to the number of tickets allotted to each request, and all requests should be made no later than 5:00pm the day before a game (5:00pm Friday for a weekend game).

MEDIA PARKING

Members of the media can use their parking pass to park in the lots designated on the parking pass they receive. There are a limited number of single-game parking passes available for visiting media members upon request of the Communications Department. Satellite TV truck parking will be provided for up to four satellite trucks on the west side of Division Street. For technical assistance with TV truck and satellite truck parking and coordination, please contact Sara Foults in the Magic's Broadcast Technology and Services Department at 407-916-2908.

SERVICES

A pregame media meal will be served in the media workroom in the southwest corner on the event level. Beverages are also provided at all times in the media workroom. Game notes and a limited number of media guides and game programs will be available in the media workroom before the start of the game. In addition, play-by-play sheets, halftime and quarter boxscores and postgame quotes will be available in the

media workroom following the game. Complimentary fax service is also available upon request. Boxscores and play-by-play sheets will be delivered in a prompt manner to the press seating locations at the end of each quarter. Advance game notes will be delivered to the hotel of all visiting media members. In order to provide this service efficiently, we ask that you contact the Magic Communications Department if you are not staying in the designated team hotel. If there is anything else that we can do to assist in your coverage of the Magic this NBA season, please don't hesitate to ask.

AMWAY CENTER MEDIA INFO

The Amway Center, which opened in October of 2010, serves as the practice and training site for the Magic. The media workroom is located on the southwest corner of the 875,000-square-foot state-of-the-art facility. The workroom, equipped with telephones and work space, is directly inside the media entrance and is in a convenient location to the basketball floor and locker and training rooms. For practice/shootarounds, media should enter through the security entrance located at the corner of Hughey Avenue and South Street. The Amway Center is located at 400 West Church Street; Orlando, FL 32801. Directions to Amway Center:

THE DeVOS FAMILY

The DeVos family purchased the Orlando Magic in September of 1991. At that time, family head Rich DeVos stated that the DeVos family is simply the team's current caretaker, making it clear that the NBA franchise really belongs to the Central Florida community and the loyal Magic fans. Since purchasing the team, the franchise has won six division championships (Atlantic Division: 1994-95, 1995-96; Southeast Division: 2007-08, 2008-09, 2009-10, 2018-19), two Eastern Conference titles (1994-95, 2008-09) and had seven 50-win seasons, including a franchise-record 60 victories in 1995-96. The Magic have advanced to the playoffs 15 times during that span, while finishing with a .500 record or better in 17 of the last 27 seasons.

The acquisition and operation of the Magic has always been a family affair, involving the late Rich and Helen, and their four children and spouses: Dick and Betsy DeVos, Dan and Pamella DeVos, Cheri DeVos, and Doug and Maria DeVos.

The family was introduced to the Central Florida community during Orlando's drive to bring major league baseball to "The City Beautiful." An ensuing relationship was formed between the DeVos family and the city of Orlando.

The baseball venture left them with a heightened interest in professional sports ownership. The co-founder of Amway – today a global leader in direct selling – envisioned incorporating the philosophies that made him

10

a successful businessman with that of a solid, young NBA franchise. He understood the impact professional sports can have on the upcoming generation, and he was committed to ensuring the team provides a positive, encouraging example.

The DeVos family played a key role in helping to secure the state-of-the-art Amway Center in Orlando. The Amway Center is part of a public community venues program that also includes a new Performing Arts Center and a renovation of the Citrus Bowl Stadium. The new Amway Center opened in October 2010. In addition, the Magic also contributed \$12.5 million toward construction of five community recreation centers throughout Orange County, Florida, as part of its commitment to build the new Amway Center.

The Orlando Magic have been and continue to be an active partner in the Central Florida community. In February of 1998, RDV Sports, named for Rich DeVos and the general partner of the Magic, in partnership with Florida Hospital, opened the \$50 million, 365,000-square-foot RDV Sportsplex. The RDV Sportsplex is a state-of-the-art health and wellness facility, which includes a world-class health club, medical offices, restaurant, retail shops, and front office facilities for the Magic.

The Orlando Magic's other entities include the team's newly acquired NBA G League affiliate, the Lakeland Magic, which began play in 2017-18 in nearby

THE Devos Family

Lakeland, Florida; the Orlando Solar Bears of the ECHL, which serves as the affiliate to the NHL's Tampa Bay Lightning; and Magic Gaming, which competed in the inaugural season of the NBA 2K League in 2018.

From 1995-2001, RDV Sports owned and operated the Orlando Solar Bears of the International Hockey League. From 1998-2002, the Orlando Miracle of the WNBA was part of the RDV Sports portfolio.

The DeVos family remains involved in numerous

charities and community-enhancement endeavors, both in the Central Florida area and their hometown region of Grand Rapids, Michigan. The Orlando Magic Youth Foundation (OMYF) positively impacts an estimated 100,000 kids each year, while a Magic staff-wide initiative provides more than 7,000 volunteer hours annually. In addition, the OMYF, which serves at-risk youth, has distributed more than \$24 million to local nonprofit community organizations over the last 29 years.

MAGIC DEDICATE BASKETBALL COURT TO THE LATE RICH AND HELEN Devos

The Orlando Magic will dedicate its home court at Amway Center to its late Senior Chairman, Rich DeVos and his late wife, Helen DeVos, who passed away on Sept. 6, 2018 at the age of 92 and Oct. 18, 2017 at the age of 90, respectively. The Magic's home parquet will permanently feature a "Rich and Helen DeVos Court" memorial insignia.

"What a perfect way to honor all that Mr. and Mrs. DeVos brought to the Orlando Magic organization and the Central Florida community," said Orlando Magic CEO Alex Martins. "From the beginning, Mr. and Mrs. DeVos' vision was that the team and organization would serve as a platform to improve the Central Florida community. That legacy will certainly live on, both in the Orlando Magic's community efforts and philanthropic contributions, as well as in the way we strive to play the game with passion, a strong work ethic and integrity, while also bringing people together from all walks of life. Our court will now forever commemorate Mr. and Mrs. DeVos, who made that vision a reality."

10,000! On December 22, 1988, the 10,000th season ticket was sold, ending the Magic's commitment to the NBA of guaranteeing 10,000 season ticketholders by January 1, 1989. Pat Williams (above) makes the announcement of Orlando meeting its season ticket goal.

A MODERN DAY P.T. BARNUM, Pat Williams turned a dream into the Orlando Magic more than 30 years ago.

"I had been working in conjunction with Jimmy Hewitt on this idea of trying to bring a basketball team to Orlando," said Williams. "He had put everything in place with ownership, an arena, the backing of the city. He called one night, late April 1986, and I remember taking the phone call in my kitchen. Jimmy, in his unmistakable southern drawl, said, 'Bubba, we've gone about as far as we can go down here. If you come down here and spearhead it we'll go forward... If you don't, we'll pull the plug'."

Williams could feel the urgency. He knew it was decision time.

"We (Philadelphia 76ers) were getting ready for the lottery in which we had a pick and we were getting ready for the playoffs. We ended up winning the lottery and had a good playoff run which made things more confusing.

"But I knew deep within that the adventure and risk involved in trying to start up a team was really something that I had to pursue. There was a restlessness in my spirit. I needed a new adventure."

Williams took the leap of faith and resigned his position as general manager of the Philadelphia 76ers.

More than 30 magical years later, Williams has certainly lived an incredible adventure.

LAKELAND MAGIC

On December 14, 2016, the Orlando Magic and the NBA G League announced that the Magic agreed to purchase the Erie BayHawks with plans to relocate the team to Lakeland, Florida. to begin play during the 2017-18 season. With the purchase, the Magic became the 17th NBA team to own and operate their NBA G League affiliate.

During their two seasons in the NBA G League, the Lakeland Magic have qualified for the playoffs twice. Last season (2018-19), Lakeland finished with a 32-18 record, won the Southeast Division title and reached the NBA G League Eastern Conference Final.

Located near the heart of Central Florida, Lakeland is approximately 55 miles from downtown Orlando and approximately 35 miles from downtown Tampa. The franchise, which is owned and operated by the Orlando Magic, plays its 24 home games at the RP Funding Center.

"When we started this process, our goal was to have our G League team closer to home and the perfect fit for us was the City of Lakeland," said Orlando Magic CEO and G League Team Managing Partner Alex Martins, "Having our G League team in Lakeland gives us the best opportunity, not only to continue developing our young players, but to extend the Orlando Magic brand across Central Florida."

"Things happen in a city which can profoundly change for the better that city's future," said former City of Lakeland Mayor Howard Wiggs. "Lakeland now has professional basketball and we are excited. This is a great example that Lakeland has a bright future and we are glad to be partnering with such a quality organization like the Orlando Magic."

The Lakeland Magic season is made up of 50 regular season games, plus a postseason, and runs from November to April. Season tickets, partial plans and group tickets for the 2019-20 season are available now by calling (863) 825-3258 or logging on to LakelandMagic.com.

RICH AND HELEN DEVOS COMMUNITY ENRICHMENT AWARD

Magic owners Rich and Helen DeVos established this program to honor an Orlando Magic player who dedicates his efforts beyond the basketball court to enhance the lives of others. In selecting the player each year, the anonymous committee looks at several criteria including the three "A's": Action, Attitude and Atmosphere. Specifically, that means the player's actions off the court are honorable in nature, the player displays a respectable attitude toward those he encounters, and the player shies away from situations that may be negatively perceived and provides a positive environment for others through his actions. Rich and Helen donate \$50,000 to the charity of the honored player's choice.

In 2019, Aaron Gordon and Jonathan Isaac were each honored with the Community Enrichment Award for their efforts off the court and in the Central Florida community.

OMYF PARTNER SPOTLIGHT

AdventHealth Foundation in partnership with Hebni Nutrition Consultants. Inc.

AdventHealth for Children's Healthy Weight and Wellness program is a collaborative effort with Hebni Nutrition Consultants. Hebni is bringing new resources and expertise to the program, such as healthy cooking workshops, virtual pantry makeovers, access to fresh fruits and vegetables and bi-lingual health coaching. The program also provides children with personal training and group exercise, gardening and cooking workshops and weekly health coaching through Hospital resources and partners with Edible Education Experience (EEE) and the YMCA. The initiative helps children with overweight and obesity—who are further marginalized by economic challenges and the lack of access to assistance—overcome barriers to successful health outcomes.

Orlando Science Center: Early Childhood Program - Ignite Discovery

Through the Ignite Discovery program we are advancing STEM learning in early child education through the delivery of high-quality in-class workshops for students, teacher professional development training to help teachers effectively incorporate STEM throughout early learning domains, and family engagement activities.

OSC is collaborating with the Early Learning Coalition of Osceola County (ELCOC) to identify Pre-K providers in Osceola County to implement Ignite Discovery programming during the 2019-2020 academic year. OSC implements planning meetings with partners to enhance communication, assess program delivery methods, effective use of resources, and to identify areas within the community in most need of support. Additionally, their assistance ensures program accessibility to, and inclusive of, geographically diverse populations throughout Osceola County.

Orlando Shakes! in partnership with UCF

Orlando Shakes hosted the first livestream as part of its 2019 Orlando Magic Youth Foundation funding, presenting Jack and the Beanstalk across the state of Florida.

The theater's live stream of Jack and the Beanstalk reached 4,663 students. COMMUNITY AMBASSADORS

NICK ANDERSON Community Ambassador

As part of its continued commitment to the Central Florida community, Nick Anderson joined the organization's community relations department as community ambassador during the summer of 2006. Anderson, who was a staple in the Orlando community as a player for a decade, will continue to take part in a variety of community outreach efforts.

The Magic's first-ever NBA Draft selection out of the University of Illinois (11th overall, 1989 NBA Draft), Anderson played ten seasons for Orlando from 1989-99. In 692 career regular season games with the Magic, he averaged 15.4 ppg., 5.3 rpg., 2.8 apg. and 1.45 stlpg. Anderson ranks as the franchise's all-time leader in games played (692), field goals made (4,075), steals (1,004), field goals attempted (8,976) and three-point field goals attempted (2,480). He also stands second on the Magic's all-time list with 10,650 points, 900 three-point field goals made and 22,440 minutes played.

In 2014, along with Pat Williams, Anderson was an inaugural inductee into the Orlando Magic Hall of Fame. He was also inducted into the Chicagoland Sports Hall of Fame in September 2016 and into the Florida Sports Hall of Fame in November 2019.

Anderson may best be remembered for one of the greatest moments in Magic history — stealing the ball from Michael Jordan during the closing seconds of Game 1 of the 1995 Eastern Conference Semifinals, allowing Orlando to win the contest and eventually move on to the NBA Finals.

In 2005-06, Anderson was the first honoree as part of the Magic's "Commitment to the Past" program, a multi-season effort aimed at embracing Magic history and the team's former players. Anderson won the inaugural Rich and Helen DeVos Community Enrichment Award in 1995-96. He also serves as a pregame and postgame analyst for select games on FOX Sports Florida.

BO OUTLAW Community Ambassador

As part of its continued commitment to the Central Florida community, Charles "Bo" Outlaw joined the organization's community relations department as community ambassador in February 2008. Outlaw, who was extremely active in the Orlando community as a player with the Magic for more than six years, will continue to take part in a variety of community outreach efforts.

A 14-year NBA veteran, Outlaw played in 914 career NBA regular season games with the L.A. Clippers, Orlando, Memphis and Phoenix, averaging 5.4 ppg., 4.9 rpg., 1.6 apg. and 1.31 blkpg. in 22.7 minpg. Outlaw also appeared in 22 career playoff outings, averaging 3.3 ppg., 4.0 rpg. and 1.2 apg. in 18.9 minpg.

Outlaw spent six-plus seasons (360 games-222 starts) with the Magic from 1997-2001 and 2005-07. He ranks on the Magic's all-time career lists in blocked shots (3rd, 536) and rebounds (7th, 2.160).

During his time with the Magic, Outlaw was recognized for his outstanding work in the Central Florida community with the Rich and Helen DeVos Community Enrichment Award. He won the award three times (1998-99, 2005-06, 2006-07) and is one of only two players in team history to accomplish that feat.

STUFF THE MAGIC MASCOT

On October 27, 1988, STUFF literally burst onto the scene when a large egg was discovered in front of the old Amway Arena. No one is sure where it came from or how it arrived in Orlando. Witnesses, however, reported a giant explosion followed by a shower of deflated basketballs, Orlando Magic bumper stickers, and puffs of green smoke. The oversized green dragon that emerged from the commotion had no idea of the impact he would soon have on "The City Beautiful."

STUFF is one of the most recognizable mascots in professional sports. STUFF prides himself as the Orlando Magic's number one fan, and he relishes his role as the team "funny guy." Whether seen backflipping off of a 16-foot ladder, shooting his signature backwards half-court shot, or perhaps throwing a cake in the face of an unsuspecting fan from another team, STUFF seldom seems to slow down his pace. Although unpredictable at times, his comedic timing and impromptu style is guaranteed to bring a smile to the faces of fans both young and old.

Our lovable dragon STUFF took his fame to new heights in 2014. After a game-time decision to propose to supermodel Kate Upton, STUFF was seen on several media outlets and was even discussed on TMZ. That wasn't enough for the big green guy. STUFF delivered a dance-off challenge to Hashtag, the mascot of the "Tonight Show with Jimmy Fallon." While the show was visiting Orlando on June 18, 2014, STUFF and Hashtag battled it out in an epic dance-off on national television. The result was a tie. In March of 2015, STUFF made ESPN's Top Ten Plays with his dangerous and exciting backflip dunk off a 16-foot ladder. STUFF was also named the NBA's Mascot of the Year for 2015-16 and 2016-17, making him the first ever back-to-back recipient.

For more information on "Orlando's Mascot" or to book him for an event, check out www.stuffthemagicmascot.com or follow him on Twitter and Instagram (@STUFFMagic).

The Amway Center opened in 2010 and was designed to reflect the character of the community, meet the goals of the users and build on the legacy of sports and entertainment in Orlando.

The building's exterior features a modern blend of glass and metal materials, along with ever-changing graphics via a monumental wall along one façade. A 180-foot tall tower and spire serves as a beacon amid the downtown skyline.

2017 VENUE EXCELLENCE AWARD

In August 2017, the Amway Center was recognized with the prestigious Venue Excellence Award from IAVM — the International Association of Venue Managers. The Amway Center was the only arena to earn the honor.

The Venue Excellence Award recognizes five IAVM venues of any type within the membership which demonstrate excellence in the management and operation of public assembly venues. all types of events and educational opportunities.

Any venue, publicly or privately owned and operated, that has demonstrated excellence within the last calendar year and has at least one current employee who is an IAVM member in good standing may apply.

The following four criteria framework help demonstrate the ways in which the venue has demonstrated excellence in venue management and operations: operational excellence, team-building/professional development, safety and security, and service to the community.

2013 CUSTOMER EXPERIENCE AWARD

The Amway Center was honored on June 6, 2013 with the Customer Experience Award during TheStadiumBusiness Awards presentation held in association with TheStadiumBusiness Summit in Manchester, England.

AMENITIES FOR ALL LEVELS OF TICKET BUYERS

The 875,000 square foot, Leadership in Energy and Environmental Design (LEED) Gold certified building features a sustainable, environmentally-friendly design and unmatched technology, including 1,100 digital monitors, the tallest high-definition video board in an NBA venue and multiple premium amenities available to all patrons in the building.

Every level of ticket buyer has access to a number of premium amenities.

"It's a great day for Central Florida. History will look back on this day in the same light as the day that Walt Disney announced he was building his theme park in Orlando," Magic Chief Executive Officer Alex Martins said the night of the approval, July 26, 2007, adding: "I would like to thank Mayor Rich Crotty and Mayor Buddy Dyer, as well as both the County and City Commissions for their vision and leadership. I would also like to thank the Walt Disney World Company, Universal Orlando, SeaWorld, the Central Florida Hotel and Lodging Association, the Orlando/Orange County Convention and Visitors Bureau. as well as the entire Orlando tourism and business community for their active participation in ensuring this positive outcome for new downtown sports and entertainment facilities for the people who call Central Florida home."

The Magic were major financial participants in the

AMWAY CENTER

public-private partnership - contributing \$50 million toward construction of the Amway Center, \$10 million toward the arts center, and \$25 million toward construction of five community recreation centers. The Magic's other contributions toward operations, fundraising and financing push the team's total participation in the downtown venue projects to more than \$150 million

In a historic move, the Magic agreed that Amway Center would be designed and constructed to meet the certification criteria for an environmentally "green" building development standard.

"We want this facility to not only serve our community but to reflect our community's values," Martins said.

Populous, formerly HOK Sport, was selected as designer of the Amway Center. Hunt Construction group was selected as the construction manager. The official groundbreaking celebration was held July 25, 2008. The events center was named the Amway Center on August 5, 2009 and the building opened to the public for the first time on October 1, 2010.

Inside the arena, patrons will find modern amenities in a comfortable setting — ideal for hosting family events as well as basketball games. Concourses are spacious, offering unique concessions and activities for kids and adults alike. The Bud Light Baseline Bar on the main Terrace concourse overlooks the event floor, and children will enjoy spending time in the kid-oriented STUFF's Magic Castle and retail opportunities on the upper Promenade concourse.

"From the inside out, beginning to end we were committed to developing a world class venue that would bring a myriad of events that would appeal to the diverse taste of Central Florida residents," said Mayor Buddy Dyer. "Whether it's a child experiencing his or her first basketball game or two friends singing along at a concert, these are the shared experiences and memories that will be created at the Amway Center."

With 875,000 square feet of space, the Amway Center offers plenty of room to incorporate the modern-day amenities found in most professional arenas of today, and seating which is expandable to more than 20,000 seats to accommodate major national events.

The \$380 million facility features eight levels, five public concourses, 37 restrooms, 55 concession points of sale, 60 suites, 68 loge boxes and 1,400 club seats. The Amway Center features up to 17 hospitality spaces for rental on a per event basis.

UNIQUELY ORLANDO

"We took a hard and long look at the essence of Orlando before coming up with a design that we believe reflects the best and most distinctive aspects of this AMWAY CENTER AMWAY CENTER

community," said AIA, Populous Sport Senior Designer Brad Clark. "And just as importantly, the building will set a new standard in sustainable design as one of the greenest professional sports facilities in the country."

To celebrate Central Florida's moderate climate, the building is filled with a variety of indoor-outdoor spaces. Once guests enter the voluminous, 80-foot-tall Disney Atrium main lobby, they are able to return to the outdoors via the Terrace Patio Bar area overlooking Church Street.

The arena was designed to respond to its distinct urban setting while revealing the activities occurring within. Bounded by Church Street, Hughey Avenue, South Street and Division Avenue, the arena's primary entrance faces north to Church Street, creating a natural extension of the nearby downtown entertainment core. The Church Street entry features a large public entry plaza connecting the arena's spacious Disney Atrium.

"In designing the community's new center we feel we created the framework for a facility that will be the catalyst for economic revitalization in downtown's west side, while establishing a flexible design that will serve as a great home and attract the nation's premier events," added the Magic's Martins. "The building has a design unique to Orlando, while providing a framework for environmental sustainability."

JOBS IN A TOUGH ECONOMY

The massive construction project served as a boon to the local construction business in a time when jobs were scarce because of the sharp downturn of the nation's economy.

The Magic and City of Orlando worked closely with local minority and women-owned businesses — some of which were based out of the nearby Parramore community — awarding them with more than 30 percent of the contracts totaling \$90-plus million, exceeding the 24 percent benchmark established by the City of Orlando.

Of the 170-plus minority and women-owned firms which worked to construct the facility, 61 were African-American-owned firms, 52 women-owned firms, 37 Hispanic-owned firms, 22 Asian-American-owned firms and two Native-American-owned firms.

ENVIRONMENTALLY-FRIENDLY

Sustainable design and construction specifics focused on the opportunities to create an environmentally-friendly building in various categories. Among them: providing water efficiency; optimizing energy and atmosphere protection; conserving materials and resources; monitoring indoor environmental quality and health; selecting environmentally preferred operations and maintenance.

These elements combine to create one of the most environmentally-friendly, high-performing professional arenas in the country and the first NBA arena which was originally designed and constructed to be Leadership in Energy and Environmental Design (LEED) Gold certified.

MOST TECHNOLOGICALLY-ADVANCED BUILDING IN NORTH AMERICA

The arena has more than 1,100 screens of highdefinition content via Internet Protocol Television and a state-of-the-art digital signage network which maximizes fan engagement and interaction, distributes an unprecedented amount of patron information, as well as providing unlimited opportunities for advertisers and sponsors.

The Daktronics center-hung scoreboard alone includes four primary high definition LED video displays with 840 lines of resolution, eight auxiliary video/scoring/ statistics displays and two LED ring displays. The venue is the first in the world to utilize high resolution 6 mm surface mount LED pixel technology on all of the center-hung digital displays. More than 9 million individual LEDs are used in the 18 displays incorporated into the center-hung scoreboard. Overall dimensions of the center-hung scoreboard are 42 feet by 41 feet by 41 feet (HxWxD), making it the tallest and most capable of any in NBA venues. Complementing the primary scoreboard are two LED ribbon boards mounted on the interior fascia of the seating decks.

The bigger size, flexibility and advanced technology allows Orlando to attract bigger concerts, major political conventions and compete for more major sporting events such as conference and NCAA tournaments.

"We've designed a facility that has so many built-in amenities for every level of ticket-buyer," Martins said. "So many of these buildings in the past have been designed where a lot of the amenities have focused only on the premium ticket-buyer, the courtside seat holder or the club seat holder, but here with the new Amway Center, we have bars, restaurants and clubs on every level for every ticket-buyer; and that's for Magic games and every event. So, it really is a building that has a high level of amenity for everybody."

"Over the past three years, we have focused on revitalizing the Parramore neighborhood and have experienced a resurgence in our downtown," said Orlando Mayor Buddy Dyer as the design for the building was unveiled on December 11, 2007. "Today marks another important day in our efforts, as the facility takes shape with the design unveiling of this new landmark... a landmark that will be a gathering place for all of Orlando and Central Florida."

MAGIC GAMING

Magic Gaming, based in Orlando, Fla., is one of 22 teams that will compete in its third season of the NBA 2K League in 2020. The NBA 2K League is a professional esports league co-founded by the NBA and Take-Two Interactive Software, Inc., which began play in May 2018. The league features the best 132 NBA 2K players in the world. Magic Gaming's six-man roster competes as unique characters in 5-on-5 play against the other teams in a mix of regular-season games, tournaments and playoffs. Follow Magic Gaming on Twitch (OrlandoMagicGaming), Instagram/Twitter (@MagicGaming), Facebook/Magic Gaming or at www.MagicGaming.gg.

In an effort to continue the revitalization of downtown Orlando and Parramore and to centralize the Orlando Magic staff downtown, the team continues to make progress on the Sports and Entertainment development design which will represent a \$200 million-plus investment by the Magic and its partners that will create jobs and provide dining, hotel, living, and entertainment options.

The design will feature class A office space, multi-family residences, a first-class hotel with meeting and event space, a multitude of dining options, and a vibrant central events plaza with the latest in WiFi, lighting, audio, and digital experiences.

The proposed office building, which will become the Orlando Magic's headquarters, will feature approximately seven levels (~200,000 square feet) of office space, and a 3/1,000 SF parking ratio, while the tenant experience will include tomorrow's tech in regard to renewable utilities, security, transportation, digital infrastructure, and health and wellness.

"Like with the Amway Center, this has been several years of planning and working with the City to find the right avenue to add another iconic destination that will add to the core of downtown," said Magic CEO Alex Martins. "We look forward to entering this new stage as we work with our partners to make Orlando a great place to live. work and play."

The development, situated next to Amway Center, is located north of Church Street, east of Division Avenue, south of Central Avenue and west of Hughey Avenue. This development will further enhance the Magic's expanding footprint in downtown Orlando, while complementing the Amway Center and Orlando City Soccer's stadium. The city-owned, Magic-designed Amway Center, where the Magic have played their home games since 2010, has been widely hailed as one of the finest sports facilities in North America. It was named the 2012 Sports Facility of the Year by the SportsBusiness Journal. The dazzling facility also allowed Orlando to play host to the 2012 NBA All-Star Game. Orlando Mayor Buddy Dyer has taken great pride in the success of the Amway Center, hailing it as "the envy of everyone in the NBA and the envy of everyone around the country."

The Magic's major investment also continues their efforts in the revitalization of downtown Orlando and the Parramore neighborhood. The Magic and the Parramore community have long been partners in helping the citizens of that region. The Magic have given more than \$1 million to the Parramore community while also donating thousands of community service hours, building nine reading and learning centers and two playgrounds, and providing hundreds of backpacks with school supplies.

SPORTS AND ENTERTAINMENT DISTRICT

Martins is proud that the Magic have been able to broaden their footprint downtown so that they can continue to be socio-economic growth catalysts for the area. Martins is also extremely proud that the Magic will continue to be leaders in the growth and development of Parramore.

"It's our neighborhood and it's important to us that we continue to help revitalize it," Martins said of Parramore. "We think this is another significant step. Like the great addition of Orlando City Soccer's stadium, hopefully this

is a spark for others to invest in that part of downtown. Downtown really stretches from Orange Avenue to Camping World Stadium. So, this is an opportunity to spark the western side of that stretch."

The project now enters the phase of procuring tenants for the office and retail components of the project. As such, Foundry Commercial will assist in securing qualified marquee office tenants while JLL will assist in securing qualified marquee retail tenants for the project.
